It gives me immense pleasure to know that the Primary Wing of our school is bringing out a Newsletter this month. This Newsletter showcases all the creative attempts of students and host of activities conducted in the Vidyalaya. They include awareness on Covid-19, celebration of national and international days of importance, Swachhata Pakhwada and of course joyful learning activities. This is praiseworthy that the chain of learning and creative activities continued in spite of the Covid-19 pandemic.

Congratulations to all the students and teachers who contributed for bringing out this Newsletter.

"FITNESS BEATS PANDEMIC"

Now, we all need prevention.

Let us build immunity, me and you.

Sneeze and cough into a tissue.
Let's take some steps to tackle this issue.

Don't be one of those thousand cases,
Visit a doctor if you need care.
Now, just make others, All Aware.
